

Aline-Cleo Public Schools
Gymnasium/Game Protocol

(guidelines may also be found on the website alinedcleo.k12.ok.us)

All gate keepers will be required to wear a mask and protective gloves for the duration of admissions and concession stand duty.

STUDENT ATHLETES PARTICIPATING IN THE EVENING GAMES SHOULD ARRIVE IN THEIR UNIFORMS AND WEAR MASKS TO ENTER THE BUILDING AND COMMONS AREA.

1. Temperature Checks will be taken upon entrance to the building.
2. Masks and social distancing are required entering facility and while in line to attend activity.
3. Masks are required going through commons area.
4. Masks and social distancing are required while in line for concession stand.
5. Masks may be taken off while eating and drinking in the concession stand eating area.
6. Masks are required entering into the gymnasium.
7. Masks maybe taken off while seated during the game and must be put back on when leaving the game.
8. Social distancing is recommended in the seating area during the game. Parties of the same household and relation that are usually in contact with each other regularly may sit with each other. Other persons that are not within the same household or relation whom you are normally in close contact with should social distance from each other in the gym. Please leave at least 2 vacant seats between parties.
9. The first row of the home side will not be available for fan seating. There will be one row behind all student athletes and coaches left vacant and no one will be allowed to be seated there.
10. After the games have concluded all fans, players and students must wear masks while exiting the building. No one will be allowed to stay in the gym, commons area or hallways other than school personnel.

Please understand these are safety protocols that the Aline-Cleo School District has put into place to help provide safety practices to protect all students, fans and faculty during these unprecedented times. Please take every precaution if you choose to attend sporting events and are over the age of 65 or are immune compromised. All protocols are precautionary but attendance is at each individual's discretion.

Thank you for your cooperation on this matter.
